*Continuing Care Retirement Communities (CCRCs) are licensed with sheltered beds that are to be used for residents of the community.
 *When given sheltered bed extensions from the Certificate of Need unit, these facilities are authorized to admit patients who are not residents of the community using a set number of beds for 5 year periods.
 *The beds being used to admit non-residents are still licensed as sheltered beds and are not to be listed in the community section of the Certificate of Need. Only licensed community beds and the occupancy that occurs in community beds is a factor.
 Below is a listing of all facilities with sheltered beds at CCRC facilities, the number of beds they are allowed to use to admit non-residents.
