Awarded HRSA Rural Health Network Development Planning Grant: Putnam County Care Connect

Quarter 1 of the 2019-2020 contract year began with a bang! SJRRN was awarded the HRSA Rural Health Network Development Planning Grant. The purpose of the grant is to conduct planning activities in the rural community of Putnam County to result in the implementation of the Putnam County Care Connect (PC3) telehealth project.

SJRRHN in partnership with SMA Behavioral Healthcare and the Health Planning Council of Northeast Florida are currently conducting the planning activities and look forward to an exciting upcoming year!

Access to Care: Health Insurance Market Place Open Enrollment 7

The Health Planning Council of Northeast Florida's Navigator Program is working feverishly to prepare for Open Enrollment 7! This year the Navigator Program welcomes back two veteran Navigators: Theresa James and Susan Park. They will team up with Navigator Flora Davis and Program Director Joyce Case to assist Consumers with their Health Insurance Marketplace needs. Virtual assistance through the phone or virtual meeting platform provided.

Remember! Open Enrollment is November 1st–December 15th!

Gamify Your Productivity: The Ultimate Geek Guide to Getting Stuff Done

HRSA Release: A Guide for Rural Health Care Collaboration and Coordination

Released August 2019, the Guide to Rural Health Care Collaboration and Coordination discusses how rural providers can work together to identify the health needs in their communities, create partnerships to address those needs, and develop a "community-minded" approach to health care.
